

Creech St Michael Parish Council

A Parish to be *Proud of*

It was with deep sadness and regret that we receive the announcement of the death of Her Majesty Queen Elizabeth II. On behalf of councillors and employees serving Creech St Michael Parish Council, as well as the residents throughout our community, we send our sincere condolences to The Royal Family.

Throughout her time as the longest-serving British monarch, Her Majesty provided exemplary steadfast and loyal service to the Country and to communities across the wider World. There are very many people throughout the Parish who have held Her Majesty in great regard and will wish to pay tribute to her in the coming days. The Parish Council, working with other community organisations will ensure that everyone who wishes to, is able to express their gratitude for the life of Her Majesty.

Her Majesty's devotion to duty will never again be matched and she will remain always in our hearts. Our thoughts are with the Royal Family at this difficult time. Their sadness at the loss of such a pillar of their family is shared by us all.
