	The current year income and expenditure profile was considered by the committee as part of the consideration for next year. DG raised the issue of the over-expenditure related to the Recreation Park and that this remains a significant risk to the Parish Council's finances. This was explained by expenditure related to commitments made in the 2022/23 financial year. Other spending within the Recreation Park was being well managed.  I was noted that to-date no grant funds had not been utilised this year.  A discussion took place regarding the amount of clerk hours available to the Parish Council and a potential change to these hours would need to be factored in to the budget proposals for 2023/24.  The Clerk was asked to continue to prepare a draft budget for consideration by the Finance Committee in December.
