Creech Flower and Produce Show 2021

4 September 2021

Welcome to our 80th Annual Show!

The Creech Flower and Produce Show has become very popular with people entering the wide range of classes which this schedule contains.

Sadly we had to break the run of shows last year because of uncertainty over covid. This year we are optimistic that we can stage a covid regulation compliant show in the Village Hall. It will be different with fewer classes and a rigorous one way system in the hall. Also under current regulations when this schedule was produced, all visitors to the Village Hall (exhibitors and public) will have to leave name and contact details and wear a mask in the hall. Even so we are sure we shall have fun. We welcome all competitors and look forward to seeing you at the show.

There is something here for everyone. Covid lockdown has meant a greater interest in making things, baking, art and gardening and we are sure that Creech residents look forward to show off your skills. This year we have 98 classes in 8 Divisions. In addition there are 17 classes for young people and children to enter; something to do during the summer holidays! The competitive spirit is alive and well and at the last show in 2019 there was keen competition for the cups and prizes we have on offer.

We are very enthusiastic about improving and developing the show year on year and we welcome villagers' ideas on how the show can improve in future years. Obviously, the Show organising group would be grateful for any assistance which you are able to offer. If you are keen to get involved please email us at csmflowershow@gmail.com

Any queries phone Ian Coleby on 413368 about competitive classes or Peter Brown on 442010 for all other queries about this years show and to volunteer

How to enter the Flower and Produce Show

1. Choose the classes you wish to enter from this schedule.
2. Either complete the entry form (found back page of this schedule) and deliver your entry form and entry fee in a sealed envelope to either **Engine House Cottage** (on the canal towpath) or **Curvalion House** (at the top of Curvalion Road in the centre of the village) **or leave it at the Village Hall Produce Market on Saturday mornings.**

It is important to make sure we receive your entry form **before 7.00pm Thursday 2nd September** so that entries can be correctly logged and cards produced for your exhibits. **We may not be able to accept late entries.** Please also include a contact number in case we have any queries about your entry.

In all cases Please make sure you include the correct entry fee.

3. Or, If you wish, you may enter by email - please email your name, address and class numbers to **csmflowershow@gmail.com**. If you enter by email, you will need to pay your entry fees when you come to the hall with your

exhibits. You are encouraged to enter by email as this will help the volunteers who are organising the show to process entries.

If you plan to do this please make sure you have the **correct entry fee** with you on show day as change cannot be given on the day.

As with paper entry forms we shall need **your email before 7.00pm on Thursday 2nd September** and late entries may not be accepted.

Covid Regulation Compliance

THE FOLLOWING MAY CHANGE DEPENDING ON GOV ADVICE AND VILLAGE HALL REQUIREMENTS.

We are attempting to organise the show in a way which is compliant with covid regulations in force in early July when this schedule was produced. These entry guidelines have been agreed with the Village Hall Committee to enable the show to go ahead. The organising group apologise in advance for the inconvenience this will cause and of course these arrangements for the day may change if government advice changes.

Exhibitors: on the morning of Show day:

- 1 Bring your exhibits to the hall between 8.00am and 10.00am on the Saturday morning (4th Sept) of the show. Please aim to get to the hall as early as you can and please do not leave it until just before 10.00am as access will not be possible after that time to allow judging to proceed. Please make sure you are wearing a mask.
- 2 Collect your entry cards, pay any outstanding entry fees and stage your exhibits on the tables where shown; following the one way system. There will be stewards to help you.
- 3 Please Note: Access to the hall to stage exhibits will have to be limited, you must wear a face mask and there will be a one way system inside which must be followed by exhibitors and the public; so you may have to queue outside. There will be no exceptions to this so please make sure you are prepared for queuing outside in the rain!

- 4 If you need to assemble an exhibit such as a flower arrangement you will need to do that before entering the hall. Some tables will be provided outside for you to do this.
- 5 The hall will need to be empty by 10.15am for judging to start.
- 6 You may return to the hall at 2pm with the public, and prize money can be collected after 3.15pm. You may remove your exhibits at the close of the show at about 4.30pm and again, access to remove exhibits will be limited and the one way system will still be in force.
